## Introducing the Newly Voted in Board Members

The CTAO Board Members are voted in by the association members every two years. A position can be held for a maximum of 4 years. The newest crop of board members were voted in at the 2015 Fall conference by a body of their peers. Let's get to learn the new team who are dedicated to helping you learn and grow in our field.

### **Cynthia Odens C.T. —President**

Cynthia graduated from Lorain Community College school of Electrology in 2009 and attended the laser program at Cosmetic Therapy Training Center in 2013. She practices at the Fountain of Youth in Dayton. She has a Managing Cosmetology license since 1993 and also has a bachelors degree in Social Science from Cleveland State University. Cynthia started her career in a corporate setting working with different insurance companies and has several licenses and insurance certifications.

### **Chelsea Sposit C.T. —Vice President**

Chelsea has been a Cosmeteologist since 2005 and a Cosmetic Therapist since 2008. Her practice is at Salon Lofts in Beachwood where she performs electrolysis, laser hair reduction, and skin care services.

### **Joyce Osborne C.T. —Treasurer**

Joyce graduated in 1976 from Canton Ohio College of Limited Medical Practices. She runs two electrolysis clinics and her daughter, Lisa Gladwell works with her. Joyce is a former accountant and is bringing her expertise to CTAO.

### **Courtney Helling C.T.— Corresponding Secretary**

Courtney is a Cosmetic Therapist who graduated from Lorain County Community College in November of 2008. She's opened a business called Dublin Electrolysis with her mother and aunt. She is also a certified permanent makeup technician.
